

MQ Universal Plug

For use outdoors for anchoring to hard and porous materials. Can withstand -40°C of cold and 100°C of heat. Quattro® technology ensures four-way expansion, which increases the pull-out value irrespective of the chosen material. Pre-drill a hole, blow out the dust, insert the plug, and finally screw in the screw.

Ominaisuudet

Features:

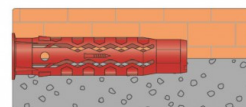

- For all types of stone based materials
- High-quality Polyamide PA6
- Quattro Technology
- High load capacity
- Push-stop collar
- Knock-in protection prevents premature expansion
- Rotation resistance

Sovellus

Application:

- Wood or metal to concrete/lightweight concrete/sandbrick stone/Leca/Brick/natural stone/perforated brick.
